

Precision Care Challenge 2023

Phase 1 – Idea Submission

Explain The Problem You Are Attempting to Solve

*The section must in detail describe what is the **problem/challenge faced currently**, give appropriate examples and detail out the severity and impact of the problem.*

Briefly Explain Your Idea/Solution

*A **crisp introduction** to the concept being explored. The section must highlight the nature of the Idea.*

A brief video(<5 mins) of the proposed idea is entertained.

Is Your Idea unique or is an improvisation of an existing solution?

Explain Your Solution

- *Briefly explain the proposed solution.*
- *Compare your solution against any conventional solutions (if any)*
- *List down relevant Pros and Cons of the proposed solution*

Any Additional Information / References

- *Highlight any information/references that would help to understand the problem/solution better.*
- *Any architecture to explain the Solution's feasibility can add value*
